## I. Assessment of Current Status

### School Description and Profile:

The physical and emotional safety of all students is paramount to maintaining our mission and vision statements.

#### Mission

SLVUSD Charter School's mission is to create and sustain unique alternatives to traditional school models within the public education system in order to support lifelong learners. The programs within the SLVUSD Charter School are built upon strong academics, family involvement, and community interactions.

#### Vision

##### 1. Strong Academics: Encouraging Lifelong Growth

The desired skills, knowledge and attitudes we encourage students to develop are directly linked to our vision of a life-long learner. These skills and attitudes include an open, self-motivated passion for learning and an ability to use one's mind analytically, creatively, and in a practical manner for self and the common good. Teachers and parents understand the varying growth rates of children and create lessons based on the students' developmental readiness and learning preferences.

##### 2. Family Involvement: Developing Positive Character and Citizenship

SLVUSD Charter students will develop a personal identity within their families, school, community, and the greater world. SLVUSD Charter teachers and parents will work together to help students foster the attributes of truthfulness, trustworthiness, and personal best efforts. They will understand, practice, and serve as engaged citizens in their families and larger communities.

##### 3. Community: Interaction for Integrated Learning

Curriculum is presented in a dynamic, flexible, challenging and multidisciplinary manner. Teaching will be a collaborative effort among faculty, staff, parents, students, and community. Our community serves as an extended campus through guest experts, workshops, and supervised internships.

#### Organization of the School

The SLVUSD Charter School is organized to provide educational alternatives delivered through a variety of school programs that support consistent educational pedagogy for students in grades K-12.

Students are educated in small learning communities (programs) where their social-emotional learning, academic skills, collaboration, and individual needs can best be supported. The teacher to student ratio for all grades averages 1:25. SLVUSD Charter operates on the philosophy that all students have different learning styles, abilities, and background experiences. As important as 'what' students learn is 'how' they learn. SLVUSD Charter's various programs are designed to support how students' learn best. The teaching staff work in collaboration with each other in grade level and program specific cohorts to ensure that students' learning is consistently monitored and best supported.

The Charter School programs provide a personalized and collaborative approach to teaching. Core Curriculum is designed to develop educated individuals who thrive and are well prepared for the future within a global community. Each Charter School program delivers holistic, student-centered education through a unique mix of three educational delivery models.

- Full time in school classroom
- Hybrid of Home School and in school classroom
- Homeschool or independent study.

Educational code 47605.1 allows the establishment of one satellite site outside of the boundaries of the District that maintains it's own waiting list. The satellite site maintains the same grade span limitations as the rest of SLVUSD Charter.

SLVUSD Charter programs include; Fall Creek Homeschool, Quail Hollow Homeschool, Quail Hollow Integrated Arts, Coast Redwood Middle School, Nature Academy, Coast Redwood High School, and Mountain Independent Study.

In the past five years, there have been 0 English Language Learners and less than 1% socio-economic disadvantaged students. In the current 2016-17 school year, there are 34 Students with Disabilities out of 287 total enrollment

We send out a parent survey at the end of each year.

### Summary of School Crime Data:

The Charter school has had no school crime in the 2014-15, or 2015-16 school year.

In the 2015-16 school year, there were 3 suspensions, two in-house. One suspension was for marijuana use, two in-house suspensions were for consistent bullying.  
There were no expulsions.  
There were no dropouts in 2014-15 or in 2015-16

14% of our seniors participated on CTE. 100% of those pupils completing a CTE program earned a high school diploma. In 2015-16, 26% of our seniors were enrolled courses required for UC/CSU admission. In 2015-16, 70% of our graduates completed all courses required for UC/CSU admissions. Our graduation rate is 95.24 percent in 2015=16. We have one 5th year senior.

Schools in the district are in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Each site works with the district and county to ensure that there is a Safety Plan at each site. During the fall semester of the new school year, all annual revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year at each of the school sites. Lock down drills are also held annually at each school site. Teachers and staff ensure that drills are conducted at each site at a time when our homeschool students will be on-site in order to participate.

Students are supervised before and after school by certificated, classified and/or administrative staff. K - 5 homeschool students are supervised by their parents or staff at lunch and breaks; secondary students are supervised by certificated, classified and administrative staff during their lunch and break. At each school site, there is a designated area for student drop off and pick up. Visitors are required to check in at the front office at each site.

#### **Other Data:**

This report includes data from our SARC attendance and discipline data, our annual Parent Survey, a 2016- 17 Safe Schools Teacher Survey, and the Fall 2016 Gallup Poll student survey scorecard for grades 6-12.

Our mental Health Counselor offers School Counseling Tiers of Learning Supports for all of our Charter School programs. Tier 1: Universal Core Instructional Interventions for All Students, is Preventive and Proactive. Examples would be; Classroom instruction, Staff development, Teacher consultation.  
Tier 2: Supplemental/Strategic Interventions is for Students at Some Risk. Examples would be; Teacher consultation, parent support/consultation, small group, individual support.  
Tier 3: Intensive, Individual Interventions for Students at High Risk. Examples would be; Teacher consultation, small group, individual support, referral to outside resources.  
Through this process, we are able to support all of our students' sense of safety throughout the year based on developmental needs, and general and specific content areas. The Tier 1 and Tier 2 intervention topics are determined through discussions between the mental health counselor, teachers, and principal, often based on the current needs of the student population.

In the year 2016-17, the District now has a Resource Officer on site. This has added to the safety of the schools. The deputy has come to the various school programs to talk to the students not only about how to support a safe school environment, but also about the duties of his profession, and the laws and school policies that are designed to safeguard everyone.

#### **Summary of Data**

Conclusions from Parent, Teacher and Student Input:

Safety of students and staff is a primary concern of San Lorenzo Valley Unified Charter. In our 2015-16 annual Parent Survey, 93% of the Charter Parents who replied responded that they are confident our schools are physically safe, and 89% believe their children are emotionally safe. While these are relatively high percentages, and consistent with the previous year's survey, we can still work on building students' sense of emotional safety, which upon further assessment we feel that more education and focus on bullying would help.

Another significant finding was that only 58% of the parents who responded stated that they were aware of the School's Emergency Procedures. However, when they were asked on the survey if they wanted more information, the majority of those answered said that they were satisfied that their students were safe and would be well cared for in an emergency. A few wrote comments stating that a quick handout with just the basics information would be sufficient for them to have access to.

This information ties in with data from the Teacher's Safe School Survey when 2/10 of the teachers who answered stated that they would like more timely updates of students' emergency information.

The staff has requested Professional Development in areas that continue to support the safety of our students. In the 2014-15 school year, all staff members were CPR certified. In the 2015-16 and 2016-17 school year, Professional Development included Training in Mindfulness and Transgender legal and personal awareness.

Based on the 2016 Safe Schools Teacher Survey, teachers feel highly confident in our ability to support and teach anti-bullying, collaborative learning, student self-reflection, mentoring and supporting students' academic needs. The area they felt our school was least able to support was in computer assisted learning.

Teachers state that 'our administration is very tuned into the challenges students and families face daily, and a safe haven has been created for them.' Teachers are supported well by our administration in dealing with students and families that need extra support in social as well as academic concerns.' They would like to receive health updates for their students in the most timely way possible and to continue the maintenance of the school sites that helps with the safety, such as lighting and an intercom system between buildings at the QH site.

Results from the Gallup Poll Student Data: 119 respondents in grades 5-12

Positive:

Engagement: Overall 64% engaged, though slight decline as grade levels progress, 6-10 (not sufficient #s in gr. 11 and 12)

Engagement: sense of safety (85%) and good friends is high (79%), though friendship declines in 10th grade

Confident with graduating (93%) and believing have a great future ahead (86%)

Career: High outside activity involvement (79%) as well as learning how to save money. (72%)

Concerns:

Entrepreneurial: aspiration lowest of 4 areas, with only 7th and 8th grade with sufficient numbers to score

Hope: There is a slight decline in having a mentor as the grade level increases. Do they consider teachers as their mentors? Should teachers be reminded of this role?

No scores were noted for grades 11 or 12 in any area in the survey due to the small number of responses.

Earthquake emergency procedures shall outline the roles and responsibilities of students and staff during and after an earthquake.

Staff and students shall be informed of the dangers to expect in an earthquake and procedures to be followed. Students shall be instructed to remain silent and follow directions given by staff in such an emergency. Staff and students also shall be taught safety precautions to take if they are in the open or on the way to or from school when an earthquake occurs.

Earthquake emergency procedures shall designate outside areas and alternative areas, which may include areas off campus if necessary, in which students will assemble following evacuation. In designating such areas, the Superintendent or designee shall consider potential post-earthquake hazards outside school buildings including, but not limited to, power lines, trees, covered walkways, chain link fences that may be an electric shock hazard, and areas near buildings that may have debris.

Earthquake emergency procedures shall designate evacuation routes and alternative routes that avoid areas with potential hazards to the extent possible. The needs of students with disabilities shall be considered when planning evacuation routes.

The Superintendent or designee shall identify potential earthquake hazards in classrooms and other district facilities. Potential hazards may include, but are not limited to, areas where the main gas supply or electric current enters the building, suspended ceilings, pendant light fixtures, large windows, stairwells, science laboratories, storage areas for hazardous materials, shop areas, and unsecured

furniture and equipment. To the extent possible, such shall be minimized by securing equipment and furnishings and removing heavy objects from high shelves.

#### Earthquake While Indoors at School

When an earthquake occurs, the following actions shall be taken inside buildings and classrooms:

1. Staff shall have students perform the drop procedure. Students should stay in the drop position until the emergency is over or until further instructions are given.
2. In laboratories, burners should be extinguished if possible before taking cover.
3. As soon as possible, staff shall move students away from windows, shelves, and heavy objects and furniture that may fall.
4. After the earthquake, the principal or designee shall determine whether planned evacuation routes and assembly areas are safe and shall communicate with teachers and other staff.
5. When directed by the principal or designee to evacuate, or if classrooms or other facilities present dangerous hazards that require immediate evacuation, staff shall account for all students under their supervision and have the students evacuate the building in an orderly manner.

#### Earthquake While Outdoors on School Grounds

When an earthquake occurs, the following actions shall be taken by staff or other persons in authority who are outdoors on school grounds:

1. Staff shall direct students to walk away from buildings, trees, overhead power lines, power poles, or exposed wires.
2. Staff shall have students perform the drop procedure.
3. Staff shall have students stay in the open until the earthquake is over or until further directions are given.

#### Earthquake While on the Bus

If students are on the school bus when an earthquake occurs, the bus driver shall take proper precautions to ensure student safety. The driver shall pull to the side of the road, away from any outside hazards if possible, and turn off the ignition. As soon as possible, the driver shall contact the Superintendent or designee for instructions before proceeding on the route.

(cf. 3543 - Transportation Safety and Emergencies)

#### Subsequent Emergency Procedures

After the earthquake as subsided, the following actions shall be taken:

1. Staff shall extinguish small fires if possible.
2. Staff shall provide assistance to any injured students, take roll, and report missing students to the principal or designee.
3. Staff and students shall not light any stoves or burners until the area is declared safe.
4. All buildings shall be inspected for water and gas leaks, electrical breakages, and large cracks or earth slippage affecting buildings. The Principal shall notify utility companies of any break or suspected break in lines which may present an additional hazard. If damage has occurred, the custodian shall shut off all utilities.
5. The principal or designee shall post staff at a safe distance from all building entrances and instruct staff and students to not reenter until the buildings are declared safe.
6. The principal or designee shall request assistance as needed from the county or city civil defense office, fire and police departments, city and county building inspectors, and utility companies and shall confer with them regarding the advisability of closing the school.
7. The principal or designee shall contact the Superintendent or designee and request further instructions after assessing the earthquake damage. If the Principal or designee believes the school is damaged sufficiently to be a hazard, he/she shall notify the Superintendent or designee and ask that the county or city building inspector check for structural failure and equipment adequacy. Until this is done, the building shall not be occupied.

### **EMERGENCY SCHEDULES      BP 3516.5**

The Board of Trustees places a high priority on safety and the prevention of injury. The Board realizes that fog and weather conditions are sometimes so severe that it is dangerous for students and employees to come to school, whether they arrive by vehicle or on foot.

The Superintendent or designee may close school or change the regular schoolday schedule when dangerous conditions occur. When the schoolday schedule is changed, the schools shall remain open during regular school hours for students who arrive on foot or whose parents/guardians bring them in private vehicles.

The Superintendent or designee shall establish a system for informing students and parents/guardians when school buses are not operating and when the schoolday schedule is changed or school closed because of adverse weather conditions.

If necessary, the Superintendent or designee may provide a means to compensate for lost instruction time later during the year. Students and parents/guardians shall receive timely advance notice of any resulting changes in the school calendar or schoolday schedule.

## **EMERGENCY SCHEDULES**

## **AR 3516.5**

During the course of the school year, occasions may arise when a decision must be made regarding the emergency closing of the school plant. Various causes would include snow storms, floods, lack of essential services such as electrical power, heating facilities, failing water supply, etc.

Procedure to follow:

1. The principal should contact the Superintendent or designee as soon as he/she is aware and has made a complete assessment of the problem.
2. If another source is aware of the problem prior to the Principal's being aware, such as the Director of Maintenance, Operations, and Grounds, a utility company, etc., that source should contact the Superintendent or designee.
3. The Superintendent or designee will immediately contact the Principal (in the case of #2.) and alert him/her to the problem. The Superintendent or designee will contact the Director of Maintenance, Operations, and Grounds or the Director of Transportation (in the case of #1.) according to the problem that has been reported. After receiving recommendations from the Principal and/or the appropriate supervisors, a decision will be made by the Superintendent or designee and relayed to the appropriate personnel who, in turn, will alert other affected members of the staff.
4. The Superintendent or designee will contact all of the available news media and provide them with the necessary information. The local radio station will be asked to broadcast the news to the general public on a regular basis (preferably every 15 minutes).
5. Throughout this process, external agencies that might be involved, such as utility companies, highway patrol, etc., will be asked to provide whatever services are necessary to alleviate the situation as soon as possible. The Superintendent or designee will maintain this type of communication throughout the emergency period.
6. If the students are already at school when the emergency occurs (other than civil defense concerns), the Principal shall immediately contact the Superintendent or designee, and he/she will set in motion the necessary machinery that will return the students to their homes as soon as possible. If that is impossible, arrangements will be made that will be complementary to the civil defense procedures related to housing, supervision, etc.
7. Every effort should be made to keep school in session at least for the minimum day if at all possible, allowing for health and safety factors.

(cf. 0450 - Comprehensive Safety Plan)  
(cf. 5116.1 - Intradistrict Open Enrollment)  
(cf. 5131 - Conduct)

### **Possession of Weapons**

The Board prohibits any person other than authorized law enforcement or security personnel from possessing weapons, imitation firearms, or dangerous instruments of any kind in school buildings, on school grounds or buses, at school-related or school-sponsored activities away from school, or while going to or coming from school.

(cf. 3515.3 – District Police/Security Department)

Unless he/she has obtained prior written permission as specified below, any student who is determined to have brought a firearm to school or possessed a firearm at school, as verified by a school employee, shall be expelled for not less than one year, except that the Board may set an earlier date for readmission on a case-by-case basis, in accordance with Board policy and administrative regulation. (Education Code 48915; 20 USC 7151)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Students possessing or threatening others with any weapon, dangerous instrument, or imitation firearm are subject to suspension and/or expulsion in accordance with law, Board policy, and administrative regulations.

Under the power granted to the Board to maintain order and discipline in the schools and to protect the safety of students, staff, and the public, any school employee is authorized to confiscate a weapon, dangerous instrument, or imitation firearm from any person on school grounds.

### **Advance Permission for Possession of a Firearm for Educational Use**

A student who desires to possess or transport a firearm or imitation firearm on school grounds for an educational purpose shall request prior permission from the principal at least five school days in advance of the planned possession. The student's parent/guardian shall provide written permission explaining the planned use of the weapon and the duration. The student shall also submit a written explanation from the staff person responsible for the school-sponsored activity or class.

On a case-by-case basis, the principal shall determine whether to grant permission for such possession when necessary for a school-sponsored activity or class or as part of the educational program. Factors that shall be considered include, but are not limited to, the planned use of the weapon, the duration and location of the planned use, whether an audience is expected, and any perceived adverse effects to the safety and well-being of students or staff. If the principal grants such permission, he/she shall provide the student and staff person with a written explanation regarding any limitations and the permissible duration of the student's possession.

The principal and/or a staff member with knowledge of firearm safety shall inspect the weapon to ensure that necessary safety precautions have been taken, including inspection to ensure that no live ammunition is present. The firearm shall be stored in a locked vehicle or in an appropriate, locked container before and after the educational activity.

A student granted permission to possess a firearm may be suspended and/or expelled if he/she possesses or uses the weapon inappropriately.

Incident reports and records shall not identify the student who reported the possession. The strategy shall also provide a method of informing staff,

students, and parents/guardians that students who report the presence of injurious objects on school campuses are to be protected and their identity shielded.

(cf. 5138 – Conflict Resolution/Peer Mediation)

## **SUSPENSION AND EXPULSION/DUE PROCESS**

## **BP 5144.1**

The Board of Trustees has established policies and standards of behavior in order to promote learning and protect the safety and well-being of all students. When these policies and standards are violated, it may be necessary to suspend or expel a student from regular classroom instruction.

(cf. 5144 - Discipline)

Suspended or expelled students shall be denied the privilege of participation in all extracurricular activities during the period of suspension or expulsion.

(cf. 6145 - Extracurricular and Cocurricular Activities)

Except where suspension for a first offense is warranted in accordance with law, suspension shall be imposed only when other means of correction fail to bring about proper conduct. (Education Code 48900.5)

Expulsion is an action taken by the Board for severe or prolonged breaches of discipline by a student. Except for single acts of a grave nature, expulsion is used only when there is a history of misconduct, when other forms of discipline, including suspension, have failed to bring about proper conduct, or when the student's presence causes danger to self or others.

The grounds for suspension and expulsion and the procedures for considering, recommending and/or implementing suspension and expulsion shall be those specified in law and/or administrative regulation.

### **Zero Tolerance**

The Board supports a zero tolerance approach to serious offenses in accordance with state and federal law. This approach makes the removal of potentially dangerous students from the classroom a top priority and ensures the standardized treatment of all students. Staff shall immediately report to the Superintendent or designee any incidence of offenses specified in law, Board policy, and administrative regulation as cause for suspension or expulsion.

### **Student Due Process**

The Board shall provide for the fair and equitable treatment of students facing suspension and expulsion by affording them their due process rights under the law. The Superintendent or designee shall comply with procedures for notices and appeals as specified in administrative regulation and/or law. (Education Code 48911, 48915, 48915.5)

(cf. 5119 - Students Expelled from Other Districts)

(cf. 5144.2 - Suspension and Expulsion/Due Process (Individuals with Disabilities))

### **Supervised Suspension Classroom**

The Board recognizes that students who are suspended from school often have no supervision or guidance during the school hours when they are off campus and may fall behind in the coursework. The Board believes that, in many cases, it would be better to manage the student's behavior by keeping the student at school and providing him/her with supervision that is separated from the regular classroom.

The Superintendent or designee shall establish a supervised classroom suspension program which meets the requirements of law for students suspended for any of the reasons enumerated in Education Code 48900 and 48900.2, who pose no imminent danger or threat at school, and for whom an expulsion action has not been initiated.

The Superintendent or designee shall examine alternatives to off-campus suspension and may establish a suspension program which involves progressive discipline during the school day on campus; use of conferences between staff, parents/guardians and students; detention; student study teams or other assessment-related teams; and/or referral to school support services staff. The use of such alternatives does not preclude off-campus suspensions.

### **Decision Not to Enforce Expulsion Order**

On a case-by-case basis, the enforcement of an expulsion order may be suspended by the Board pursuant to the requirements of law.

(Education Code 48900.5)

A student may be suspended from school for not more than 20 school days in any school year, unless for purposes of adjustment the student enrolls in or is transferred to another regular school, an opportunity school, or continuation school or class, in which case suspension shall not exceed 30 days in any school year. However, this restriction on the number of days of suspension does not apply when the suspension is extended pending an expulsion. (Education Code 48903, 48911, 48912)

The Superintendent or designee may count suspensions that occur while a student is enrolled in another school district toward the maximum number of days for which the student may be suspended in any school year. (Education Code 48903)

Suspensions shall be initiated according to the following procedures:

1. **Informal Conference:** Suspension shall be preceded by an informal conference conducted by the principal, designee or the Superintendent with the student and, whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action and the evidence against him/her; the student shall be given the opportunity to present his/her version and evidence in support of his/her defense. (Education Code 48911)

This conference may be omitted if the principal, designee, or the Superintendent determines that an emergency situation exists. An emergency situation involves a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of a conference. The conference shall be held within two school days, unless the student waives his/her right to it or is physically unable to attend for any reason. In such case, the conference shall be held as soon as the student is physically able to return to school. (Education Code 48911)

2. **Administrative Actions:** All requests for student suspension are to be processed by the principal or designee of the school in which the student is enrolled at the time of the misbehavior. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee.
3. **Notice to Parents/Guardians:** At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension. (Education Code 48911)

This notice shall state the specific offense committed by the student. (Education Code 48900.8)

In addition, the notice may state the date and time when the student may return to school. If school officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may add that state law requires the parent/guardian to respond to such requests without delay.

4. **Parent/Guardian Conference:** Whenever a student is suspended, school officials may meet with the parent/guardian to discuss the causes and duration of the suspension, the school policy involved and any other pertinent matter. (Education Code 48914)

While the parent/guardian is required to respond without delay to a request for a conference about a student's behavior, no penalties may be imposed on the student for the failure of the parent/guardian to attend such a conference. The student may not be denied readmission solely because the parent/guardian failed to attend. (Education Code 48911)

5. **Extension of Suspension:** If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision. (Education Code 48911(g))

Any extension of the original period of suspension shall be preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension. Extension of the suspension may be made only if the Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process. (Education Code 48911)

#### Suspension by the Board

The Board may suspend a student for any of the acts listed in "Grounds for Suspension and Expulsion" above and within the limits specified in "Suspension by Superintendent, Principal or Principal's Designee" above. (Education Code 48912)

The Board may suspend a student enrolled in a continuation school or class for a period not longer than the remainder of the semester if any of the acts listed in "Grounds for Suspension and Expulsion" occurred. The suspension shall meet the requirements of Education Code 48915. (Education Code 48912.5)

When the Board is considering a suspension, disciplinary action, or any other action (except expulsion) against any student, it shall hold closed sessions if a public hearing would lead to disclosure of information violating a student's right to privacy under Education Code 49073-49079. (Education Code 35146, 48912)

(cf. 9321 - Closed Session Purposes and Agendas)

The Board shall provide the student and his/her parent/guardian with written notice of the closed session by certified mail. Upon receiving this notice, the student or parent/guardian may request a public meeting, and this request shall be granted if made in writing within 48 hours after receipt of the Board's notice. However, any discussion that conflicts with any other student's right to privacy shall be held in closed session. (Education Code 35146, 48912)

### Supervised Suspension Classroom

Students for whom an expulsion action has not been initiated and who pose no imminent danger or threat to the school may be assigned to a separate, supervised suspension classroom for the entire period of suspension. The following conditions shall apply: (Education Code 48911.1)

1. The supervised suspension classroom shall be staffed in accordance with law.
2. The student shall have access to appropriate counseling services.
3. The supervised suspension classroom shall promote completion of schoolwork and tests missed by the student during the suspension.
4. Each student shall be responsible for contacting his/her teacher(s) to receive assignments to be completed in the supervised suspension classroom. The teacher(s) shall provide all assignments and tests that the student will miss while suspended. If no such work is assigned, the person supervising the suspension classroom shall assign schoolwork.

At the time a student is assigned to a supervised suspension classroom, the principal or designee shall notify the student's parent/guardian in person or by telephone. When the assignment is for longer than one class period, this notification shall be made in writing.

(Education Code 48911.1)

### Authority to Expel

A student may be expelled only by the Board. The Board shall expel, as required by law, any student found to have committed any offense listed below under "Mandatory Recommendation and Mandatory Expulsion."

The Board may also order a student expelled for any of the acts listed above under "Grounds for Suspension and Expulsion" upon recommendation by the principal, Superintendent, hearing officer or administrative panel, based on either or both of the following finding(s): (Education Code 48915(b) and (e))

1. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct
2. That due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others

### Mandatory Recommendation for Expulsion

Unless the principal, Superintendent or designee finds that expulsion is inappropriate due to particular circumstances, the principal or the Superintendent or designee shall recommend a student's expulsion for any of the following acts: (Education Code 48915(a))

1. Causing serious physical injury to another person, except in self-defense
2. Possession of any knife as defined in Education Code 48915(g), explosive, or other dangerous object of no reasonable use to the student
3. Unlawful possession of any controlled substance, as listed in Health and Safety Code 11053-11058, except for the first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis
4. Robbery or extortion
5. Assault or battery, as defined in Penal Code 240 and 242, upon any school employee

### Mandatory Recommendation and Mandatory Expulsion

The principal, Superintendent or designee shall recommend that the Board expel any student found at school or at a school activity to be: (Education Code 48915(c))

1. Possessing, as verified by a district employee, or selling or otherwise furnishing a firearm, unless the student had obtained prior written permission to possess the item from a certificated school employee, with the principal or designee's concurrence
2. Brandishing a knife as defined in Education Code 48915(g) at another person
3. Unlawfully selling a controlled substance listed in Health and Safety Code 11053-11058
4. Committing or attempting to commit a sexual assault or committing a sexual battery as defined in item #14 under "Grounds for Suspension and Expulsion" above
5. Possessing an explosive as defined in 18 USC 921

Upon finding that the student committed any of the above acts, the Board shall expel the student. (Education Code 48915)

### Student's Right to Expulsion Hearing

The student is entitled to a hearing to determine whether the student should be expelled. The hearing shall be held within 30 school days after the principal or Superintendent or designee determines that one of the acts listed under "Grounds for Suspension and Expulsion" has occurred. (Education Code 48918(a))

The student is entitled to at least one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion. (Education Code 48918(a))

If the Board finds it impractical during the school year to comply with these time requirements for conducting an expulsion hearing, the Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held. (Education Code 48918(a))

If the Board finds it impractical to comply with the time requirements of the expulsion hearing due to a summer recess of Board meetings of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days, as defined in Education Code 48925. Unless the student requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of the next school year. (Education Code 48918(a))

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay. (Education Code 48918(a))

#### Rights of Complaining Witness

An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental or emotional needs of a student who is the complaining witness. (Education Code 48918.5)

Whenever the Superintendent or designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, he/she shall give the complaining witness a copy of the district's suspension and expulsion policy and regulation and shall advise the witness of his/her right to: (Education Code 48918.5)

1. Receive five days notice of his/her scheduled testimony at the hearing
2. Have up to two adult support persons of his/her choosing present in the hearing at the time he/she testifies
3. Have a closed hearing during the time he/she testifies

Whenever any allegation of sexual assault or sexual battery is made, the Superintendent or designee shall immediately advise complaining witnesses and accused students to refrain from personal or telephone contact with each other during the time when an expulsion process is pending. (Education Code 48918.5)

#### Written Notice of the Expulsion Hearing

Written notice of the expulsion hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. The notice shall include: (Education Code 48900.8, 48918(b))

1. The date and place of the hearing.
2. A statement of the specific facts, charges, and offense upon which the proposed expulsion is based.
3. A copy of district disciplinary rules which relate to the alleged violation.
4. Notification of the student's or parent/guardian's obligation, pursuant to Education Code 48915.1, to provide information about the student's status in the district to any other district in which the student seeks enrollment. This obligation applies when a student is expelled for acts other than those described in Education Code 48915(a) or (c).  
(cf. 5119 - Students Expelled from Other Districts)
5. The opportunity for the student or the student's parent/guardian to appear in person or be represented by legal counsel or by a nonattorney advisor.  
Legal counsel means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California.  
Nonattorney advisor means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case, and has been selected by the student or student's parent/guardian to provide assistance at the hearing
6. The right to inspect and obtain copies of all documents to be used at the hearing.
7. The opportunity to confront and question all witnesses who testify at the hearing.
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses.

#### Conduct of Expulsion Hearing

1. Closed Session: Notwithstanding the provisions of Government Code 54953 and Education Code 35145, the Board shall conduct a hearing to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. If such request is made, the meeting shall be public unless another student's privacy rights would be violated. (Education Code 48918(c))

Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to deliberate and determine whether or not the student should be expelled. If the Board admits any other person to this closed session, the parent/guardian, the student, and the counsel of the student shall also be allowed to attend the closed session. (Education Code 48918(c))

If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to have his/her testimony heard in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including but not limited to videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television. (Education Code 48918(c))

2. Record of Hearing: A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. (Education Code 48918(g))
3. Subpoenas: Before commencing a student expulsion hearing, the Board may issue subpoenas, at the request of either the student or the Superintendent or designee, for the personal appearance at the hearing of any person who actually witnessed the action that

gave rise to the recommendation for expulsion. After the hearing has commenced, the Board or the hearing officer or administrative panel may issue such subpoenas at the request of the student or the County Superintendent of Schools or designee. All subpoenas shall be issued in accordance with the Code of Civil Procedure 1985-1985.2 and enforced in accordance with Government Code 11455.20. (Education Code 48918(i))

Any objection raised by the student or the Superintendent or designee to the issuance of subpoenas may be considered by the Board in closed session, or in open session if so requested by the student, before the meeting. The Board's decision in response to such an objection shall be final and binding. (Education Code 48918(i))

If the Board determines, or if the hearing officer or administrative panel finds and submits to the Board, that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in item #4 below. (Education Code 48918(i))

4. Presentation of Evidence: Technical rules of evidence shall not apply to the expulsion hearing, but relevant evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. The decision of the Board to expel shall be supported by substantial evidence that the student committed any of the acts pursuant to Education Code 48900 and listed in "Grounds for Suspension and Expulsion" above. (Education Code 48918(h))

Findings of fact shall be based solely on the evidence at the hearing. While no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. (Education Code 48918(f))

In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

5. Testimony by Complaining Witnesses: The following procedures shall be observed when hearings involve allegations of sexual assault or sexual battery by a student: (Education Code 48918, 48918.5)

- a. Any complaining witness shall be given five days notice before being called to testify.
- b. Any complaining witness shall be entitled to have up to two adult support persons, including but not limited to a parent/guardian or legal counsel, present during his/her testimony.
- c. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential.
- d. The person presiding over the hearing may remove a support person whom he/she finds is disrupting the hearing.
- e. If one or both support persons are also witnesses, the hearing shall be conducted according to Penal Code 868.5.
- f. Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person conducting the hearing determines that extraordinary circumstances require the evidence to be heard. Before such a determination is made, the complaining witness shall be given notice and an opportunity to oppose the introduction of this evidence. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a parent/guardian, legal counsel or other support person. Reputation or opinion evidence regarding the sexual behavior of a complaining witness shall not be admissible for any purpose.
- g. In order to facilitate a free and accurate statement of the experiences of the complaining witness and to prevent discouragement of complaints, the district shall provide a nonthreatening environment.

- (1) The district shall provide a room separate from the hearing room for the use of the complaining witness before and during breaks in testimony.

- (2) At the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which he/she may leave the hearing room.

- (3) The person conducting the hearing may:

- (a) Arrange the seating within the hearing room so as to facilitate a less intimidating environment for the complaining witness
- (b) Limit the time for taking the testimony of a complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours
- (c) Permit one of the support persons to accompany the complaining witness to the witness stand

6. Decision Within 10 School Days: The Board's decision on whether to expel a student shall be made within 10 school days after the conclusion of the hearing, unless the student requests in writing that the decision be postponed. (Education Code 48918(a))

7. Decision Within 40 School Days: If the Board does not meet on a weekly basis, its decision on whether to expel a student shall be made within 40 school days after the student is removed from his/her school of attendance, unless the student requests in writing that the decision be postponed. Education Code 48918(a))

Alternative Expulsion Hearing: Hearing Officer or Administrative Panel

Instead of conducting an expulsion hearing itself, the Board may contract with the county hearing officer or with the Office of Administrative Hearings of the State of California for a hearing officer. Alternatively, the Board may appoint an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the Board or on the staff of the school in which the student is enrolled. (Education Code 48918(d))

A hearing conducted by the hearing officer or administrative panel shall conform to the same procedures as apply to a hearing conducted by the Board as specified above in "Conduct of Expulsion Hearing." (Education Code 48918(d))

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the student shall be immediately reinstated. The Superintendent or designee shall place the student in a classroom instructional program, any other instructional program, a rehabilitation program, or any combination of these programs after consulting with district staff, including the student's teachers and with the student's parent/guardian. The decision to not recommend expulsion shall be final. (Education Code 48918(e))

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order. (Education Code 48918(f))

In accordance with Board policy, the hearing officer or administrative panel may recommend that the Board suspend the enforcement of the expulsion for a period of one year. (Education Code 48917)

The Board shall make its decision about the student's expulsion within 40 school days after the date of the student's removal from school unless the student requests in writing that the decision be postponed. (Education Code 48918(a))

#### Final Action by the Board

Whether the expulsion hearing is conducted in closed or public session by the Board, a hearing officer, or an administrative panel, the final action to expel shall be taken by the Board at a public meeting. (Education Code 48918(j))

(cf. 9321.1 - Closed Session Actions and Reports)

If the Board conducts the hearing and reaches a decision not to expel, this decision shall be final and the student shall be reinstated immediately.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within the district. For a student expelled for an act listed under "Mandatory Recommendation and Mandatory Expulsion" above, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred. If an expulsion is ordered during the summer session or the intersession period of a year-round program, the Board shall set a date when the student shall be reviewed for readmission not later than the last day of the semester following the summer session or intersession period in which the expulsion occurred. (Education Code 48916)

At the time of the expulsion order, the Board shall recommend a plan for the student's rehabilitation, which may include: (Education Code 48916)

1. Periodic review as well as assessment of the student at the time of review for readmission
2. Recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service and other rehabilitative programs

With parent/guardian consent, students who have been expelled for reasons relating to controlled substances or alcohol may be required to enroll in a county-sponsored drug rehabilitation program before returning to school. (Education Code 48916.5)

#### Written Notice to Expel

The Superintendent or designee shall send written notice of the decision to expel to the student or parent/guardian. This notice shall include the following:

1. The specific offense committed by the student for any of the causes for suspension or expulsion listed in Education Code 48900, 48900.2, 48900.3, 48900.4, 48900.7, or 48915. (Education Code 48900.8)
2. The fact that a description of readmission procedures will be made available to the student and his/her parent/guardian. (Education Code 48916)
3. Notice of the right to appeal the expulsion to the County Board of Education. (Education Code 48918)
4. Notice of the alternative educational placement to be provided to the student during the time of expulsion. (Education Code 48918)
5. Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code 48915.1. (Education Code 48918)

### Decision Not to Enforce Expulsion Order

In accordance with Board policy, when deciding whether to suspend the enforcement of an expulsion, the Board shall take into account the following criteria:

1. The student's pattern of behavior
2. The seriousness of the misconduct
3. The student's attitude toward the misconduct and his/her willingness to follow a rehabilitation program

The suspension of the enforcement of an expulsion shall be governed by the following: (Education Code 48917)

1. The Board may, as a condition of the suspension of enforcement, assign the student to a school, class or program appropriate for the student's rehabilitation. This rehabilitation program may provide for the involvement of the student's parent/guardian in the student's education. However, a parent/guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the student has satisfactorily completed the rehabilitation program.
2. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status.
3. The suspension of the enforcement of an expulsion order may be revoked by the Board if the student commits any of the acts listed under "Grounds for Suspension and Expulsion" above or violates any of the district's rules and regulations governing student conduct.
4. When the suspension of the enforcement of an expulsion order is revoked, a student may be expelled under the terms of the original expulsion order.
5. Upon satisfactory completion of the rehabilitation assignment, the Board shall reinstate the student in a district school. Upon reinstatement, the Board may order the expunging of any or all records of the expulsion proceedings.
6. Suspension of the enforcement of an expulsion order shall not affect the time period and requirements for the filing of an appeal of the expulsion order with the County Board of Education.
7. The Superintendent or designee shall send written notice of any decision to suspend the enforcement of an expulsion order during a period of probation to the student or parent/guardian. The notice shall also inform the parent/guardian of the right to appeal the expulsion to the County Board of Education. (Education Code 48918(j))

### Right to Appeal

The student or parent/guardian is entitled to file an appeal of the Board's decision with the County Board of Education. The appeal must be filed within 30 days of the Board's decision to expel, even if the expulsion action is suspended and the student is placed on probation. (Education Code 48919)

The student shall submit a written request for a copy of the written transcripts and supporting documents from the district simultaneously with the filing of the notice of appeal with the County Board of Education. The district shall provide the student with these documents within 10 school days following the student's written request. (Education Code 48919)

### Notifications To Law Enforcement Authorities

Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245. (Education Code 48902)

The principal or designee also shall notify appropriate city or county law enforcement authorities of any student acts which may involve the possession or sale of narcotics or of a controlled substance or possession of weapons or firearms in violation of Penal Code 626.9 and 626.10. (Education Code 48902)

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate city or county law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900(c) or (d), relating to the possession, use, offering or sale of controlled substances, alcohol or intoxicants of any kind. (Education Code 48902)

### Post-Expulsion Placements

The Board shall refer expelled students to a program of study that is: (Education Code 48915, 48915.01)

1. Appropriately prepared to accommodate students who exhibit discipline problems
2. Not provided at a comprehensive middle, junior, or senior high school or at any elementary school, unless the program is offered at a community day school established at such a site
3. Not housed at the school site attended by the student at the time of suspension

(cf. 6185 - Community Day School)

When the placement described above is not available, and when the County Superintendent of Schools so certifies, students expelled for acts described in items #6-13 and #18-21 under "Grounds for Suspension and Expulsion" above may be instead referred to a program of study that is provided at another comprehensive middle, junior, or senior high school, or at an elementary school. (Education Code 48915)

The program for a student expelled from any of grades K-6 shall not be combined or merged with programs offered to students in any of 7-12. (Education Code 48916.1)

### Readmission After Expulsion

Readmission procedures shall be as follows:

1. On the date set by the Board when it ordered the expulsion, the district shall consider readmission of the student. (Education Code 48916)
2. The Superintendent or designee shall hold a conference with the parent/guardian and the student. At the conference the student's rehabilitation plan shall be reviewed and the Superintendent or designee shall verify that the provisions of this plan have been met. School regulations shall be reviewed and the student and parent/guardian shall be asked to indicate in writing their willingness to comply with these regulations.
3. The Superintendent or designee shall transmit to the Board his/her recommendation regarding readmission. The Board shall consider this recommendation in closed session if information would be disclosed in violation of Education Code 49073-49079. If a written request for open session is received from the parent/guardian or adult student, it shall be honored.
4. If the readmission is granted, the Superintendent or designee shall notify the student and parent/guardian, by registered mail, of the Board's decision regarding readmission.
5. The Board may deny readmission only if it finds that the student has not satisfied the conditions of the rehabilitation plan or that the student continues to pose a danger to campus safety or to other district students or employees. (Education Code 48916)
6. If the Board denies the readmission of a student, the Board shall determine either to continue the student's placement in the alternative educational program initially selected or to place the student in another program that serves expelled students, including placement in a county community school. (Education Code 48916)
7. The Board shall provide written notice to the expelled student and parent/guardian describing the reasons for denying readmittance into the regular program. This notice shall indicate the Board's determination of the educational program which the Board has chosen. The student shall enroll in that program unless the parent/guardian chooses to enroll the student in another school district. (Education Code 48916)

#### Maintenance of Records

The Board shall maintain a record of each expulsion, including the specific cause of the expulsion. The expulsion record shall be maintained in the student's mandatory interim record and sent to any school in which the student subsequently enrolls upon receipt of a written request by the admitting school. (Education Code 48900.8, 48918(k))

The Superintendent or designee shall, within five working days, honor any other district's request for information about an expulsion from this district. (Education Code 48915.1)

(cf. 5119 - Students Expelled from Other Districts)

#### Outcome Data

The Superintendent or designee shall maintain the following data: (Education Code 48900.8, 48916.1)

1. The number of students recommended for expulsion
2. The specific grounds for each recommended expulsion
3. Whether the student was subsequently expelled
4. Whether the expulsion order was suspended
5. The type of referral made after the expulsion
6. The disposition of the student after the end of the expulsion period

Approved: April 18, 2013

#### Suspension And Expulsion/Due Process (Students With Disabilities)

A student identified as an individual with disabilities pursuant to the Individuals with Disabilities Education Act (IDEA) is subject to the same grounds for suspension and expulsion which apply to students without disabilities.

#### Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been officially identified as a student with disabilities pursuant to IDEA and who has engaged in behavior that violated the district's code of student conduct may assert any of the protections under IDEA only if the district had knowledge that the student is disabled before the behavior that precipitated the disciplinary action occurred. (20 USC 1415(k)(5); 34 CFR 300.534)

The district shall be deemed to have knowledge that the student has a disability if one of the following conditions exists: (20 USC 1415)(k)(5); 34 CFR 300.534)

1. The parent/guardian has expressed concern to district supervisory or administrative personnel in writing, or to a teacher of the student, that the student is in need of special education or related services.
2. The parent/guardian has requested an evaluation of the student for special education pursuant to 34 CFR 300.300-300-311. (cf. 6164.4 - Identification of Individuals for Special Education)
3. The teacher of the student or other district personnel has expressed specific concerns directly to the district's director of special education or to other supervisory district personnel about a pattern of behavior demonstrated by the student.

The district would be deemed to not have knowledge that a student is disabled if the parent/guardian has not allowed the student to be evaluated for special education services or has refused services. In addition, the district would be deemed to not have knowledge if the district conducted an evaluation pursuant to 34 CFR 300.300-300.311 and determined that the student was not an individual with a disability. When the district is deemed to not have knowledge of the disability, the student shall be disciplined in accordance with procedures established for students without disabilities who engage in comparable behavior. (20 USC 1415(k)(5); 34 CFR 300.534)

If a request is made for an evaluation of a student during the time period in which the student is subject to disciplinary measures pursuant to 34 CFR 300.530, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities. (20 USC 1415(k)(5); 34 CFR 300.534)

#### Suspension

The Superintendent or designee may suspend a student with a disability for up to 10 consecutive school days for a single incident of misconduct, and for up to 20 school days in a school year, as long as the suspension(s) does not constitute a change in placement pursuant to 34 CFR 300.536. (Education Code 48903; 34 CFR 300.530)

The principal or designee shall monitor the number of days, including portions of days, in which a student with a valid individualized education programs (IEP) has been suspended during the school year.

(cf. 6159 - Individualized Education Program)

The district shall determine, on a case-by-case basis, whether a pattern of removals of a student from his/her current educational placement for disciplinary reasons constitutes a change of placement. A change of placement shall be deemed to have occurred under any of the following circumstances: (34 CFR 300.536)

1. The removal is for more than 10 consecutive school days.
2. The student has been subjected to a series of removals that constitute a pattern because of all of the following:
  - a. The series of removals total more than 10 school days in a school year.
  - b. The student's behavior is substantially similar to his/her behavior in previous incidents that resulted in the series of removals.
  - c. Additional factors, such as the length of each removal, the total amount of time the student has been removed, and the proximity of the removals to one another, indicate a change of placement.If the removal has been determined to be a change of placement as specified in items #1-2 above, the student's IEP team shall determine the appropriate educational services. (34 CFR 300.530)

#### Services During Suspension

Any student suspended for more than 10 school days in the same school year shall continue to receive services during the term of the suspension. School personnel, in consultation with at least one of the student's teachers, shall determine the extent to which services are needed as provided in 34 CFR 300.101(a), so as to enable the student to continue to participate in the general education curriculum in another setting and to progress toward meeting the goals as set out in his/her IEP. (20 USC 1412(a)(1)(A); 34 CFR 300.530)

If a student with disabilities is excluded from school bus transportation, the student shall be provided with an alternative form of transportation at no cost to the student or parent/guardian, provided that transportation is specified in his/her IEP. (Education Code 48915.5)

(cf. 3541.2 - Transportation for Students with Disabilities)

#### Interim Alternative Educational Placement Due to Dangerous Behavior

The district may unilaterally place a student with a disability in an appropriate interim alternative educational setting for up to 45 school days, without regard as to whether the behavior is a manifestation of the student's disability, when the student commits one of the following acts while at school, going to or from school, or at a school-related function: (20 USC 1415(k)(1)(G); 34 CFR 300.530)

1. Carries or possesses a weapon, as defined in 18 USC 930

The following procedural safeguards shall apply when a student is suspended for more than 10 consecutive school days, when a series of removals of a student constitutes a pattern, or when a change of placement of a student is contemplated due to a violation of the district's code of conduct:

1. Notice: On the date the decision to take disciplinary action is made, the parents/guardians of the student shall be notified of the decision and provided the procedural safeguards notice pursuant to 34 CFR 300.504. (20 USC 1415(k)(1)(H); 34 CFR 300.530)  
(cf. 5145.6 - Parental Notifications)  
(cf. 6159.1 - Procedural Safeguards and Complaints for Special Education)

2. Manifestation Determination Review: Immediately if possible, but in no case later than 10 school days after the date the decision to take disciplinary action is made, a manifestation determination review shall be made of the relationship between the student's disability and the behavior subject to the disciplinary action. (20 USC 1415(k)(1)(E); 34 CFR 300.530)

At the manifestation determination review, the district, the student's parent/guardian, and relevant members of the IEP team (as determined by the district and parent/guardian) shall review all relevant information in the student's file, including the student's IEP, any teacher observations, and any relevant information provided by the parents/guardians, to determine whether the conduct in question was either of the following: (20 USC 1415(k)(1)(E); 34 CFR 300.530)

- a. Caused by or had a direct and substantial relationship to the student's disability
- b. A direct result of the district's failure to implement the student's IEP, in which case the district shall take immediate steps to remedy those deficiencies

If the manifestation review team determines that a condition in either #a or #b above was met, the conduct shall then be determined to be a manifestation of the student's disability. (20 USC 1415(k)(1)(E); 34 CFR 300.530)

3. Determination that Behavior is a Manifestation of the Student's Disability: When the conduct has been determined to be a manifestation of the student's disability, the IEP team shall conduct a functional behavioral assessment, unless a functional behavioral assessment had been conducted before the occurrence of the behavior that resulted in the change of placement, and shall implement a behavioral intervention plan for the student. If a behavior intervention plan has already been developed, the IEP team shall review the behavioral intervention plan and modify it as necessary to address the behavior. (20 USC 1415(k)(1)(F); 34 CFR 300.530)

The student shall be returned to the placement from which he/she was removed, unless the parent/guardian and district agree to a change of placement as part of the modification of the behavioral intervention plan. (20 USC 1415(k)(1)(F); 34 CFR 300.530)  
(cf. 6159.4 - Behavioral Interventions for Special Education Students)

4. Determination that Behavior is Not a Manifestation of the Student's Disability: If the manifestation determination review team determines that the student's behavior was not a manifestation of his/her disability, the student may be disciplined in accordance with the procedures for students without disabilities. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

The student shall receive services to the extent necessary to participate in the general education curriculum in another setting and to allow him/her to progress toward meeting the goals set out in his/her IEP. As appropriate, the student shall also receive a functional behavioral assessment and behavioral intervention services and modifications that are designed to address the behavior violation so that it does not recur. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

- (cf. 6158 - Independent Study)
- (cf. 6185 - Community Day School)

#### Due Process Appeals

If the parent/guardian disagrees with any decision regarding placement under 34 CFR 300.530 (suspension and removal for dangerous circumstances) or 34 CFR 300.531 (interim alternative placement), or the manifestation determination under 34 CFR 300.530(e), he/she may appeal the decision by requesting a hearing. The district may request a hearing if the district believes that maintaining the student's current placement is substantially likely to result in injury to the student or others. In order to request a hearing, the requesting party shall file a complaint pursuant to 34 CFR 300.507 and 300.508(a) and (b). (20 USC 1415(k)(3); 34 CFR 300.532)

Whenever a hearing is requested as specified above, the parent/guardian or the district shall have an opportunity for an expedited due process hearing consistent with requirements specified in 34 CFR 300.507, 300.508 (a)-(c), and 300.510-300.514.

If the student's parent/guardian or the district has initiated a due process hearing under 34 CFR 300.532 as detailed above, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the 45-day time period, whichever occurs first, unless the parent/guardian and district agree otherwise. (20 USC 1415(k)(4); 34 CFR 300.533)

#### Notice Regarding Student Offenses Committed While Under School Jurisdiction

The Superintendent or designee shall inform the teacher of each student who has engaged in, or is reasonably suspected of, any act during the previous three years which could constitute grounds for suspension or expulsion under Education Code 48900, with the exception of the possession or use of tobacco products, or Education Code 48900.2, 48900.3, 48900.4 or 48900.7. This information shall be based upon written district records maintained in the ordinary course of business or records received from a law enforcement agency.

(cf. 5125 - Student Records)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Upon receiving a transfer student's record regarding acts committed by the student that resulted in his/her suspension or expulsion, the Superintendent or designee shall inform any of the student's teacher(s) that the student was suspended from his/her former district and of the act that resulted in the suspension or expulsion. (Education Code 48201)

Information received by teacher(s) shall be received in confidence for the limited purpose for which it was provided and shall not be further disseminated by the teacher. (Education Code 49079)

#### Notice Regarding Student Offenses Committed While Outside School Jurisdiction

When informed by the court that a minor student has been found by a court to have committed any felony or any misdemeanor involving curfew, gambling, alcohol, drugs, tobacco products, carrying of weapons, a sex offense listed in Penal Code 290, assault or battery, larceny, vandalism or graffiti, the Superintendent or designee shall so inform the school principal. (Welfare and Institutions Code 827)

The principal shall disseminate this information to the counselor(s) who directly supervises or reports on the student's behavior or progress. The principal also may inform any teacher or administrator he/she thinks may need the information so as to work with the student appropriately, avoid being needlessly vulnerable, or protect others from vulnerability. (Welfare and Institutions Code 827)

Any court-initiated information that a teacher, counselor or administrator receives shall be kept confidential and used only to rehabilitate the student and protect other students and staff. The information shall be further disseminated only when communication with the student, parent/guardian, law enforcement staff and probation officer is necessary to rehabilitate the student or to protect students and staff. (Welfare and Institutions Code 827)

When a student is removed from school as a result of his/her offense, the Superintendent or designee shall hold the court's information in a separate confidential file until the student is returned to public school. If the student is returned to a different district, the Superintendent or designee shall transmit the information provided by the student's parole or probation officer to the Superintendent of the new district of attendance. (Welfare and Institutions Code 827)

Any confidential file of court-initiated information shall be kept until the student becomes 18, graduates from high school, or is released from juvenile court jurisdiction, whichever occurs first; it shall then be destroyed. (Welfare and Institutions Code 827)

#### Procedures to Maintain Confidentiality of Student Offenses

In order to maintain confidentiality when providing information about student offenses to counselors and teachers of classes/programs to which a student is assigned, the Superintendent or designee shall send the staff member a written notification requesting him/her to review a student's file in the school office as soon as practicable. This notification shall not name or otherwise identify the student. The staff member shall be asked to initial the notification and return it to the principal or designee.

The staff member shall also initial the student's file when reviewing it in the school office. (cf. 1312.4 - Williams Uniform Complaint Procedures)

The Board encourages the early, informal resolution of complaints at the site level whenever possible.

The Board acknowledges and respects every individual's right to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process. This may include keeping the identity of the complainant confidential, as appropriate and except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee on a case-by-case basis.

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)

(cf. 5125 - Student Records)

(cf. 9011 - Disclosure of Confidential/Privileged Information)

The Board prohibits any form of retaliation against any complainant in the complaint process, including but not limited to a complainant's filing of a complaint or the reporting of instances of discrimination. Such participation shall not in any way affect the status, grades, or work assignments of the complainant.

The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate that process. The Superintendent or designee shall ensure that the results are consistent with state and federal laws and regulations.

Adopted: April 18, 2013

## **UNIFORM COMPLAINT PROCEDURES**

## **AR 1312.3**

The Superintendent or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Designated employees may have access to legal counsel as determined by the Superintendent or designee.

(cf. 9124 - Attorney)

### **Notifications**

The Superintendent or designee shall annually provide written notification of the district's uniform complaint procedures to students, employees, parents/guardians, the district advisory committee, school advisory committees, appropriate private school officials or representatives, and other interested parties. (5 CCR 4622)

The Superintendent or designee shall make available copies of the district's uniform complaint procedures free of charge. (5 CCR 4622)

The notice shall:

1. Identify the person(s), position(s), or unit(s) responsible for receiving complaints
2. Advise the complainant of any civil law remedies that may be available to him/her under state or federal discrimination laws, if applicable
3. Advise the complainant of the appeal process pursuant to Education Code 262.3, including the complainant's right to take a complaint directly to the California Department of Education (CDE) or to pursue remedies before civil courts or other public agencies
4. Include statements that:
  - a. The district is primarily responsible for compliance with state and federal laws and regulations
  - b. The complaint review shall be completed within 60 calendar days from the date of receipt of the complaint unless the complainant agrees in writing to an extension of the timeline
  - c. An unlawful discrimination complaint must be filed not later than six months from the date the alleged discrimination occurs, or six months from the date the complainant first obtains knowledge of the facts of the alleged discrimination
  - d. The complainant has a right to appeal the district's decision to the CDE by filing a written appeal within 15 days of receiving the district's decision
  - e. The appeal to the CDE must include a copy of the complaint filed with the district and a copy of the district's decision

(cf. 5145.6 - Parental Notifications)

### **Procedures**

The following procedures shall be used to address all complaints which allege that the district has violated federal or state laws or regulations governing educational programs. Compliance officers shall maintain a record of each complaint and subsequent related actions, including all information required for compliance with 5 CCR 4631 and 4633

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

#### Step 1: Filing of Complaint

Any individual, public agency, or organization may file a written complaint of alleged noncompliance by the district. (5 CCR 4630)

A complaint alleging unlawful discrimination shall be initiated no later than six months from the date when the alleged discrimination occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged discrimination. A complaint may be filed by a person who alleges that he/she personally suffered unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination. (5 CCR 4630)

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as disability or illiteracy, district staff shall assist him/her in filing the complaint. (5 CCR 4600)

#### Step 2: Mediation

Within three days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a discrimination complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. (5 CCR 4631)

#### Step 3: Investigation of Complaint

The compliance officer is encouraged to hold an investigative meeting within five days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally.

The complainant and/or his/her representative shall have an opportunity to present the complaint and evidence or information leading to evidence to support the allegations in the complaint. (5 CCR 4631)

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, or his/her failure or refusal to cooperate in the investigation or his/her engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation. (5 CCR 4631)

The district's refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

#### Step 4: Response

Within 30 days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report of the district's investigation and decision, as described in Step #5 below. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within five days, file his/her complaint in writing with the Board.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 days of the district's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant. (5 CCR 4631)

#### Step 5: Final Written Decision

The district's decision shall be in writing and sent to the complainant.  
(5 CCR 4631)

The district's decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

This decision shall include:

1. The findings of fact based on the evidence gathered (5 CCR 4631)
2. The conclusion(s) of law (5 CCR 4631)
3. Disposition of the complaint (5 CCR 4631)
4. Rationale for such disposition (5 CCR 4631)
5. Corrective actions, if any are warranted (5 CCR 4631)
6. Notice of the complainant's right to appeal the district's decision within 15 days to the CDE and procedures to be followed for initiating such an appeal (5 CCR 4631)
7. For discrimination complaints, notice that the complainant must wait until 60 days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies (Education Code 262.3)

If an employee is disciplined as a result of the complaint, the decision shall simply state that effective action was taken and that the employee was informed of district expectations. The report shall not give any further information as to the nature of the disciplinary action.

#### Appeals to the California Department of Education

If dissatisfied with the district's decision, the complainant may appeal in writing to the CDE within 15 days of receiving the district's decision. When appealing to the CDE, the complainant must specify the basis for the appeal of the decision and whether the facts are correct and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the district's decision. (5 CCR 4632)

Upon notification by the CDE that the complainant has appealed the district's decision, the Superintendent or designee shall forward the following documents to the CDE: (5 CCR 4633)

1. A copy of the original complaint
2. A copy of the decision
3. A summary of the nature and extent of the investigation conducted by the district, if not covered by the decision
4. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by the parties and gathered by the investigator
5. A report of any action taken to resolve the complaint
6. A copy of the district's complaint procedures
7. Other relevant information requested by the CDE

The CDE may directly intervene in the complaint without waiting for action by the district when one of the conditions listed in 5 CCR 4650 exists, including cases in which the district has not taken action within 60 days of the date the complaint was filed with the district.

#### Civil Law Remedies

A complainant may pursue available civil law remedies outside of the district's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For discrimination complaints, however, a complainant must wait until 60 days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the district has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622.

Within 24 hours of receiving a complaint, the school employee shall report it to the district Coordinator for Nondiscrimination/Principal. In addition, any school employee who observes any incident of sexual harassment involving a student shall, within 24 hours, report this observation to the Coordinator/Principal, whether or not the victim files a complaint.  
In any case of sexual harassment involving the Coordinator/Principal to whom the complaint would ordinarily be made, the employee who receives the student's report or who observes the incident shall instead report to the Superintendent or designee.
2. **Initiation of Investigation:** The Coordinator/Principal shall initiate an impartial investigation of an allegation of sexual harassment within five school days of receiving notice of the harassing behavior, regardless of whether a formal complaint has been filed. The district shall be considered to have "notice" of the need for an investigation upon receipt of information from a student who believes he/she has been subjected to harassment, the student's parent/guardian, an employee who received a complaint from a student, or any employee or student who witnessed the behavior.

If the Coordinator/Principal receives an anonymous complaint or media report about alleged sexual harassment, he/she shall consider the specificity and reliability of the information, the seriousness of the alleged incident, and whether any individuals can be identified who were subjected to the alleged harassment in determining whether it is reasonable to pursue an investigation.

3. Initial Interview with Student: The student who is complaining shall have an opportunity to describe the incident, identify witnesses who may have relevant information, provide other evidence of the harassment, and put his/her complaint in writing. If the student requests confidentiality, he/she shall be informed that such a request may limit the district's ability to investigate.
4. Investigation Process: The Coordinator/Principal shall keep the complaint and allegation confidential, except as necessary to carry out the investigation or take other subsequent necessary action. (5 CCR 4964)

The Coordinator/Principal shall interview individuals who are relevant to the investigation, including, but not limited to, the student who is complaining, the person accused of harassment, anyone who witnessed the reported harassment, and anyone mentioned as having relevant information. The Coordinator/Principal may take other steps such as reviewing any records, notes, or statements related to the harassment or visiting the location where the harassment is alleged to have taken place.

When necessary to carry out his/her investigation or to protect student safety, the Coordinator/Principal also may discuss the complaint with the Superintendent or designee, the parent/guardian of the student who complained, the parent/guardian of the alleged harasser if the alleged harasser is a student, a teacher or staff member whose knowledge of the students involved may help in determining who is telling the truth, law enforcement and/or child protective services, and district legal counsel or the district's risk manager.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

5. Interim Measures: The Coordinator/Principal shall determine whether interim measures are necessary during and pending the results of the investigation, such as placing students in separate classes or transferring a student to a class taught by a different teacher.
6. Optional Mediation: In cases of student-to-student harassment, when the student who complained and the alleged harasser so agree, the Coordinator/Principal may arrange for them to resolve the complaint informally with the help of a counselor, teacher, administrator, or trained mediator. The student who complained shall never be asked to work out the problem directly with the accused person unless such help is provided and both parties agree, and he/she shall be advised of the right to end the informal process at any time.
7. Factors in Reaching a Determination: In reaching a decision about the complaint, the Coordinator/Principal may take into account:
  - a. Statements made by the persons identified above
  - b. The details and consistency of each person's account
  - c. Evidence of how the complaining student reacted to the incident
  - d. Evidence of any past instances of harassment by the alleged harasser
  - e. Evidence of any past harassment complaints that were found to be untrue  
To judge the severity of the harassment, the Coordinator/Principal may take into consideration:
    - a. How the misconduct affected one or more students' education
    - b. The type, frequency, and duration of the misconduct
    - c. The identity, age, and sex of the harasser and the student who complained, and the relationship between them
    - d. The number of persons engaged in the harassing conduct and at whom the harassment was directed
    - e. The size of the school, location of the incidents, and context in which they occurred
    - f. Other incidents at the school involving different students
8. Written Report on Findings and Follow-Up: No more than 30 days after receiving the complaint, the Coordinator/Principal shall conclude the investigation and prepare a written report of his/her findings. This timeline may be extended for good cause. If an extension is needed, the Coordinator/Principal shall notify the student who complained and explain the reasons for the extension.

The report shall include the decision and the reasons for the decision and shall summarize the steps taken during the investigation. If sexual harassment occurred, the report shall also include any corrective actions that have or will be taken to address the harassment and prevent any retaliation or further harassment. This report shall be presented to the student who complained, the person accused, the parents/guardians of the student who complained and the student who was accused, and the Superintendent or designee.

In addition, the Coordinator/Principal shall ensure that the harassed student and his/her parent/guardian are informed of the procedures for reporting any subsequent problems. The Coordinator/Principal shall also make follow-up inquiries to see if there have been any new incidents or retaliation and shall keep a record of this information.

### Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student. (Education Code 49001)

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property or to obtain possession of weapons or other dangerous objects within the control of the student. (Education Code 49001)

(cf. 4158/4258/4358 - Employee Security)  
(cf. 5131.7 - Weapons and Dangerous Instruments)

#### Recess Restriction

A teacher may restrict a student's recess time when he/she believes that this action is the most effective way to bring about improved behavior, subject to the following conditions:

1. The student shall be given adequate time to use the restroom and get a drink or eat lunch, as appropriate.
2. The student shall remain under a certificated employee's supervision during the period of restriction.
3. Teachers shall inform the principal of any recess restrictions they impose.

#### Detention After School

Students may be detained for disciplinary reasons up to one hour after the close of the maximum school day. (5 CCR 353)

If a student will miss his/her school bus on account of being detained after school, or if the student is not transported by school bus, the principal or designee shall notify parents/guardians of the detention at least one day in advance so that alternative transportation arrangements may be made. The student shall not be detained unless the principal or designee speaks to the parent/guardian.

In cases where the school bus departs more than one hour after the end of the school day, students may be detained until the bus departs. (5 CCR 307, 353)

Students shall remain under the supervision of a certificated employee during the period of detention.

Students may be offered the choice of serving their detention on Saturday rather than after school.

(cf. 6176 - Weekend/Saturday Classes)

#### Community Service

As part of or instead of disciplinary action, the Board, Superintendent, principal or principal's designee may, at his/her discretion, require a student to perform community service on school grounds, or with written permission of the student's parent/guardian off school grounds, during nonschool hours. Such service may include, but is not limited to, community or school outdoor beautification, campus betterment, and teacher, peer or youth assistance programs. (Education Code 48900.6)

This community service option is not available for a student who has been suspended, pending expulsion, pursuant to Education Code 48915. However, if the recommended expulsion is not implemented or the expulsion itself is suspended, then a student may be required to perform community service for the resulting suspension pursuant to this section. (Education Code 48900.6)

#### Notice to Parents/Guardians and Students

At the beginning of the school year, the Superintendent or designee shall notify parents/guardians, in writing, about the availability of district rules related to discipline. (Education Code 35291)
